

## COALITION UNION MEMBERS Choose Mail Order Pharmacy to Keep Copays Low

**40%** of prescriptions for Coalition union members and their families need to be delivered by mail to keep the same low pharmacy copays.

In-person prescription copays will **go up** to \$20 for you, your dependents and fellow Coalition members if we don't meet our goal by the end of this year.

For illustrative purposes only.

### SPREAD THE WORD

**Keep costs lower for all of us.** Encourage your fellow Coalition union members and dependents to choose mail order delivery for their prescriptions.

### SKIP THE TRIP AND ENJOY:

-  \$5 copay for mail order pharmacy delivery
-  up to a 3-month supply for most medications
-  no-cost delivery, usually in 3–5 days

**Act now. Choose mail delivery every time on [kp.org/pharmacy](https://kp.org/pharmacy) and the KP mobile app to have your prescriptions delivered by mail.**
