

Floor Cleaning Made Greener, Cheaper

DEPARTMENT: EVS, Sacramento Medical Center

WHAT THEY DID

This UBT purchased new, technically advanced floor-cleaning equipment that does not use chemicals or large amounts of water to clean and refinish hospital and medical office floors. The team's goal was to reduce the overall cost of floor care by reducing by 25 percent the cost of the chemicals used in the machines.

RESULTS

Reduction in annual cleaning solution costs

↓50%

↓\$9,800
